

Thousands Have Kidney Trouble and Never Suspect It.

How To Find Out.
Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

What To Do.
There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention this paper and don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y.

The third game of the series at Princeton Saturday was also won by Hopkinsville, the score being 5 to 2. This gave the Browns two games of the series of three played at Princeton. Hopkinsville went to Vincennes Sunday for a series of games, the first of which was played the same afternoon. The Browns lost by the score of 9 to 1. The second game was played yesterday, but the result had not been announced when our forms closed. The third game comes off today and the Browns will return home tonight.

Paducah comes here tonight for three games with Hopkinsville—Wednesday, Thursday and Friday. This will be the first visit of the Indians to this city this season and the attendance each day is expected to be very large.

GREAT CROWDS

Saw Van Amburg's Shows Here Yesterday.

The Van Amburg shows were here yesterday and gave two performances at Mercer Park—one in the afternoon and the other in the evening. Large crowds attended the performances, the tents being taxed to their full capacity both afternoon and night. There was a magnificent display of entirely new features and many strange zoological specimens, including the rarest animals in captivity. In the circus ring Chas. Cook, the principal somersault rider; Vontello, and Nina, trapeze artists; Dan Leon, the 4-horse rider, and Geo. Kline, principal clown, deserve especial mention. These artists are among the best in their specialties on the road and acquitted themselves with credit.

Mr. E. J. Gosney, the press agent of the shows, is a most congenial gentleman and has been in the show business for years. He is an Old Virginian, born near Richmond, and is one of the best men in his line on the road. The shows went from here to Elkton, where they will give two performances today.

CARNIVAL OPENED UP MONDAY.

That and the Circus Fills the Streets to Overflowing.

CRY OF THE SPEELER.

Amusements Galore and a Holiday For All.

Yesterday was as hot as a mid-summer day, just the kind for a show day. Van Amburg's big show gave the day of amusements a start when their street parade filed in from West 7th street. The noise of the stake driver and the rattle of wagons and the hammer of the amateur carpenter almost drowned out the two brass bands in Van Amburg's parade, the cry of the lemonade vender filled the air and the people from the country filled the streets.

In the afternoon some of the varied attractions were ready for business, and at night the streets on which are located the different shows were brilliant with a myriad of electric lights and the voice of the speeler could be heard from afar. Thus auspiciously has opened up the carnival of the local lodge of Woodmen. The council granted the use of the streets used last fall. Below we give a list of the attractions and places of exhibition.

Ninth and Main—The Crystal Maze and Bombardment of Port Arthur.

Ninth and Virginia—Penny Arcade, London Ghost Show and moving pictures. In the latter is to be seen the great train robbery, the Electric Theatre and several other features. The snake show and country store are also at the intersection of these streets.

On Virginia, between 7th and 9th are the ferris wheel and the "flying Jenny."

On Virginia, between 6th and 7th are to be seen Luna and the fat girl, weighing between 500 and 600 pounds.

The Vaudeville theatre is on the vacant lot on 6th street, opposite Hotel Latham. From the same place every afternoon when the weather is favorable, a balloon ascension will be made about 4 o'clock.

The plantation negro entertainments are given under a tent at 6th street, fronting south.

The free entertainments are the aerolites, Mitchel Bros., and open air concerts.

FEW LEFT.

The Polite and Dignified Old Darkies a Rarity.

It is a good thing these days to run across a specimen of the grand old-fashioned Southern darkey—one who knows that his Creator has drawn a line between him and the white race, which neither time nor man can remove. One of these old "uncles" was in the Kentuckian office Saturday and his brief stay was really enjoyable. Ross Hopper has been a reader of this paper for twenty-five years. He is a very intelligent man and has the respect of all who know him and is an entertaining talker. He is now in his 88th year and reads by daylight without glasses—he has never used them for he has no occasion to do so, though he has been a user of tobacco since he was a small boy. He owns a farm of 148 acres near Howell, in this county, within a mile of the place where he was born. He has five children living and three dead, the youngest child is living and is 42 years old. He has sixty grandchildren living. Uncle Ross, though stooping under the weight of 88 years, is cheerful, of good common sense and has nothing but the kindest feeling for all, white and black. He loves to talk of "old times before the war," and says that he cannot understand why the colored people can have anything but a "friendly feeling for the Democrats," as they live on their farms and almost everything they have, as a rule, comes through the hands of the Democrats. He does not claim to be of that party, however. May Uncle Ross see the beginning and end of many more years.

BABY'S AWFUL ITCHING ECZEMA

Sores All Over Face and Body— Could Not Tell What She Looked Like—Unable to Sleep—Grew Worse Under Doctors.

CURED BY CUTICURA IN ONE MONTH

A grateful mother, in the following letter, tells of another of those marvelous cures by Cuticura: "When my baby was four months old her skin broke out with a humor. I took her to a doctor, who said it was eczema. He gave me medicine to give her, but she kept getting worse all the time. Her little face and body were so covered with sores and large scales you could not tell what she looked like. No child ever had a worse case. Her face was being eaten away, and even her finger nails fell off. Then it itched so she could not sleep, and for many weary nights we could get no rest. At last we got Cuticura Soap and Ointment, first bathing her in warm water with the Soap, and then spreading on the Ointment with soft cloths. I saw a change in a week. The sores began to heal, and she could sleep at night, and in one month she had not one sore on her face or body. Any mother having children with eczema or humors will find a friend in Cuticura Soap and Ointment. (signed) Mrs. Mary Sanders, 709 Spring St., Camden, N. J., Aug. 14, 1904.

The foregoing statement justifies the oft-repeated assertion that Cuticura Soap and Ointment afford instant relief, and permit sleep for baby and rest for tired mothers, and points to a speedy, permanent, and economical cure, when all else fails, in the most torturing, disfiguring, itching, burning, bleeding, scaly, crusted, and pimply skin, and scalp humors.
